This is a Little Public Journal, a cheaper, themed-er version of the bigger, more expensive Public Journal, which comes out in a month. Yes, so.

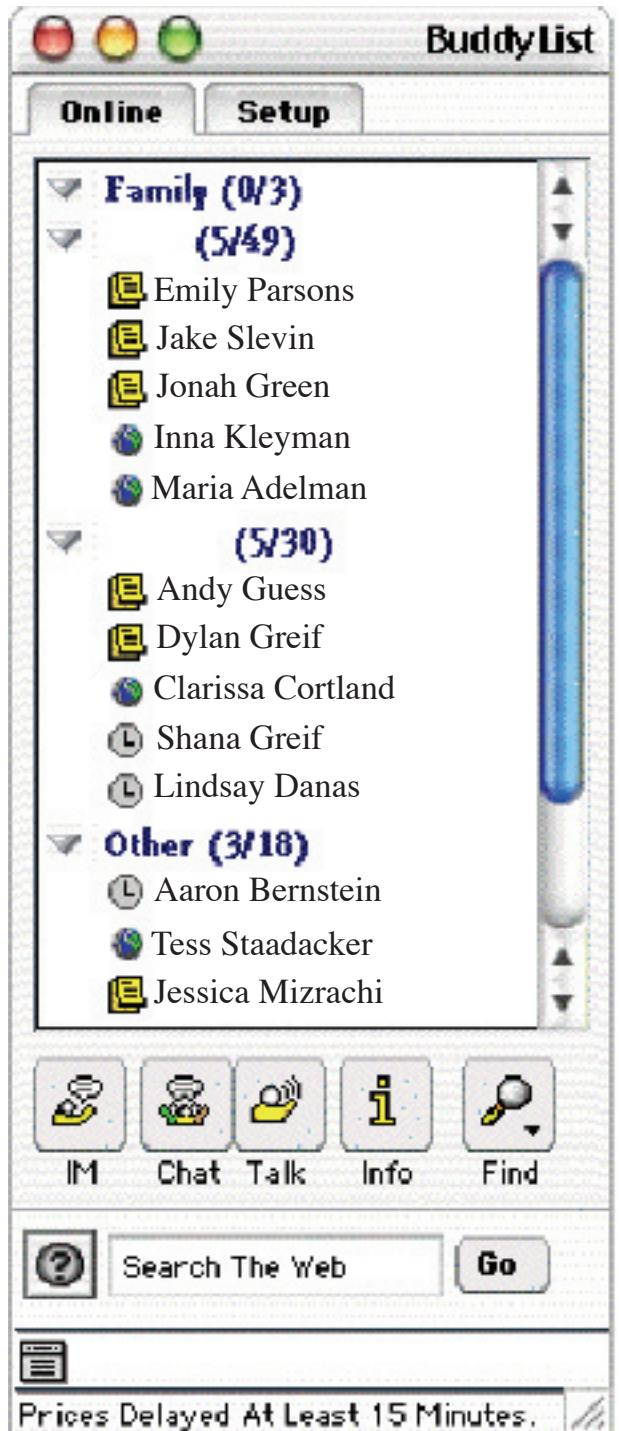

* * *

The last great bastion of American found literature—the Instant Message—has, until now, been largely ignored as an art form. But within these scripts lay the poignant peculiarities of the human experience. The saved IM is a conversation never verbalized, it is a discourse exemplifying both the benefits and harms of the modern modes of communication. In one sense, the IM is the most stringent and direct form of conversing you can find—you have time to think and articulate an idea, you do not falter from superficial means (ie the awkward moments of silence, the self-consciousness of physical appearance, etc). On the other hand, the IM throws a digital wall between people, and the distance we must travel may ultimately divide us.

Whether it is 'good' or 'bad', the Instant Message is important. Important in the least because of its hyper-pervasiveness, but also because of the as-of-yet unknown consequence to human interaction.

ExLuv365: i revoke the period!

MagFields69: like this conversation

MagFields69: brings on the dread

ExLuv365: i know. and when i get into i know it will but i keep doing it because i want to have the conversation in which we decide how to act so we never have dread again

MagFields69: why dont we decide to have fun

MagFields69: instead of feeling like we're in this big serious thing

MagFields69: serious in the bad way, i mean

ExLuv365: good

MagFields69: i dont want this to become business

ExLuv365: ah i mean good idea

MagFields69: like something to deal with, to 'handle' to fix

Cassy465: ive done it before
Cassy465: at 430 in the morning
Wayne123: tonite?

Wayne123: thats y
Wayne123: so what am i supposed to think
Cassy465: its a defense mechanism, ive never been in anything serious, so i make a joke out of everything

Cassy465: youre actually the only person that ive considered being in things with
Wayne123: right and i undrstoof that
Wayne123: but come on....6 different time you've actually slapped me....that's as bad as being hit in the balls in a guys world
Wayne123: yeah i've called on you so many god damn times
Cassy465: i like you, what else do you want to know
Wayne123: i don't know anymore
Wayne123: i walked up north....for 30 mintes....with

pneumonia

Wayne123: what am i supposed to do

Wayne123: fucking that shit can kill you

Cassy465: i dont know how to act, i thought that it was supposed to be hard to get or some shit, but i like you, i have no fucking idea how to act

Wayne123: than act on what you feel...i.e. don't slap the crap out of me

Cassy465: dude, ive been doing that since i was young, it was like a way that i flirted

Wayne123: 6 different times

Wayne123: and i burnt me self on ramen noodles

Cassy465: im sorry, ive never been in that position ever and i had no idea how to act

Cassy465: it surprised me

Cassy465: i didnt know someone actually liked me

Wayne123: nol but i seriously burnt my self on my cup o noodles

Cassy465: well, you gotta read directions

Wayne123: it says sit for 3 minutes

Wayne123: so i wait

Wayne123: and it still burnt the crap out of me

Cassy465: i wish you were here

Wayne123: yeah so do i

Wayne123: but yet i'm still on north

Cassy465: im sorry

Wayne123: exactly

Cassy465: what exactly

Cassy465: youre making me feel like shit

Cassy465: is that your goal?

Wayne123: YOU SLAPED THE SHIT OUT OF ME AFTER I TOLD YOU NOT TO DO IT AGAIN

Wayne123: yet i still have you three chances

Wayne123: because i care about you

Wayne123: and you wasted those three extra chances

Wayne123: i have you 6 chances....and you threw all of them back into my face

Cassy465: i dont know how to act, it all scares me really

Wayne123: well there you go....that is something you have to deal with.....i guess i'm just there to have to see those ways

Wayne123: you don't think having 9 out of 9 girls run away when you try to open up scares me

Wayne123: yet for some reason i tried for 10

Wayne123: and of course i got 10 for 10

Wayne123: its pretty good

Wayne123: no matter what i'm going to care about you

Cassy465: ive seen them crawl all over you

Wayne123: but what the hell am i supposed to do when i give you 6 different chances

Wayne123: well yeah all the sluts are easy

Wayne123: but i don't give a shit about them

Wayne123: all 9 girls i showed some feeling have run

Wayne123: now you make number 10

Wayne123: congratulations

Cassy465: what the hell am i supposed to do? i have no idea how to handle a situation where a guy likes

me

Wayne123: do what you feel is in your heart

Wayne123: if you feel like you should slap them then so be it

Cassy465: its a defense mechanism, its like i try to front like im strong while actually im very vulnerable

Cassy465 (4:58:05 AM): i dont mean to, ive just never been in this kind of situation before

Wayne123: you're an extremely strong girl

Wayne123: but you just can't trust in that

Cassy465: apparently not, because i fucked up

Wayne123: listen i really have to go to sleep cause its 5am and i need to study for my prelim on tuesday

Wayne123: i guess i'll have to settle this on tuesday

Wayne123: i'm out

Cassy465: ok

Wayne123: there is no 7 for 6

Cassy465: im sorry

Cassy465: i like you

Wayne123: so am i

Wayne123: so do i

Wayne123: so what am i supposed to do

Wayne123: that is the question.....

Cassy465: i dont know

Wayne123: i guess neither do i

Wayne123: i'll figure this out later tomorrow i'm out

Wayne123: late

Wayne123 is away at 5:00:41 AM.

Dyippi36 [11:07 PM]: I don't like it that I completely cannot tell what you are thinking online

CirrysTune [11:11 PM]: u cant tell in person either... so it doesn't matter

Dyippi36 [11:15 PM]: basically after I saw you last time I realized how emotionally attached I still was (and it kinda scared me) and so after that I kind of decided that the best thing would be to just cut our ties and I thought I did when we stopped talking for a while and then when I saw you it was not good and it just opened the doors up again – that's the side of it that your involved in

Dyippi36 [11:17 PM]: the side of it that doesn't involve you as much is that i started to date recently and I now have a bigger picture into what its like and what the whole dating (shiduch) world is like and I know that I cannot keep our door even a crack open if I am going to really give anyone else a fare chance

Dyippi36 [11:19 PM]: and since I've started to date - I've been thinking more about what kind of guy I want to end up with and what kind of lifestyle I want to lead and how important certain things are and are not to me

Dyippi36 [11:22 PM]: and I know that I want to be with someone who is going to inspire me to grow personally and also religiously - I don't think that that is something I am willing to compromise

Dyippi36 [11:26 PM]: and really don't take this the wrong way, but I feel like it is easier in many ways for you to entertain the idea of us - or even just to hope for an occational hookup, because it doesn't interfere with your goals - its more convenient

Dyippi36 [11:29 PM]: but it really does interfere with mine and this is really not an easy thing for me to do - b/c in so many ways you have had been such a huge influence in my life (more then most of my other friends from high school) and I don't want that to end - but I really think that it is the best thing for me

CirrysTune [11:34 PM]: so u can grow religiously...?

CirrysTune [11:37 PM]: cause the piece of this whole beautiful articulation that confuses me... and it was beautiful... should be published... but the problem is I think I do influence u to grow personally... prob more than u wanted... but ur entire life uv always evaluated yourself by your personal agenda and religious agenda... and perhaps the answer is your personal agenda will help inform your religious agenda... religion is not meant to suppress who you want to be... its meant to serve as a guideline for life

CirrysTune [11:39 PM]: and if you ask me... I have

two things to say about your approach: 1) I don't think it can work... you can't control you 'persona' and justify it for your religion 2) if your able to... why would you want to... why wouldn't you chose pure happiness

Dyippi36 [11:44 PM]: I really agree with most of what you are saying - i think you have influenced me to grow personally in many ways, and I agree that religion should not suppress who I want to be - but in this case I really don't think (and I think I am really being very honest with myself) that religion isn't suppressing who I want to be - I think I am just using it to serve as a guideline for my life and I think it is what's going to hopefully bring me pure happiness

Dyippi36 [11:44 PM]: its a decision that is not being entirely made just based on religious rules - it is based on what I want

CirrysTune [11:48 PM]: no worries

CirrysTune [11:49 PM]: but unfortunately... i will want to see you again when i come home and there isn't anything I can do about that

Dyippi36 [11:57 PM]: the funny part of this whole thing is - is that I think to a large extent we wouldnt even be happy together in the long run even if we gave it a fare chance, but just b/c we both didnt really fully bring the relationship to its maximum potential (and we had very different ideas of what those where) that its so hard to let go. You shouldn't want to see me - i'm not good for you

CirrysTune [11:59 PM]: well see... thank you for sharing your thoughts... u wont here from me for a while i suppose but ill get in touch with u when i come home...

CirrysTune [11:59 PM]: good night

Dyippi36 [12:00 AM]: doesnt a part of you want to cut the ties and move on??

CirrysTune [12:04 AM]: i am in no rush to do anything...

Dyippi36 [12:06 AM]: sorry to sonds selfish, but that doesnt help me very much

CirrysTune [12:08 AM]: i understand... ur right

Dyippi36 [12:10 AM]: i'm sorry we couldnt have this conversation in person

Dyippi36 [12:13 AM]: i have so many great memories from our time together going all the way back to freshman year and i'm going to miss these late night online conversations

Dyippi36 [12:13 AM]: in some ways its kind of appropriate that this is all online

Dyippi36 [12:20 AM]: you might not want to talk to me ever again after tonight - but i hope that thats not the sentiment that our relationship is ending off

CirrysTune [12:21 AM]: i already said... i am going to want to see u when i get home... it wont be for 4-5 weeks or so... u can decide then if u want to see me or not

CirrysTune [12:21 AM]: this wont be the end for me

Dyippi36 [12:23 AM]: whya re you being so nice - dont want to see me!

CirrysTune [12:26 AM]: because...

CirrysTune [12:26 AM]: i have to go pack and get into bed... good night

Dyippi36 [12:28 AM]: ok g'night - have a great semester

* * *

CirrysTune [8:57 PM]: so hows day 1 of the no talking thing treating u

CirrysTune [8:58 PM]: haha... i guess that wasn't a good joke... catch you later

Dyippi36 [8:59 PM]: is this that hard for you?

CirrysTune [9:14 PM]: maybe

CirrysTune [9:16 PM]: is it hard for u?

CirrysTune [10:26 PM]: u didn't answer?

CirrysTune [10:27 PM]: u have to at least answer... then we can stop talking forever

Dyippi36 [11:26 PM]: it's only hard - when you talk to me

CirrysTune [11:39 PM]: cause ur so compelled to respond?

Dyippi36 [11:47 PM]: no more IMing - okay?

CirrysTune [12:36 AM]: okay no more ims... good night

Dyippi36 [12:44 AM]: thank you jake - g'night

margoTnbm: like, i was honest with you about how i felt, and pretty much trusted you with that piece of information, and that just sorta slapped me in the face
Fauxnom: you mean i slapped you in the face
margoTnbm: i dont think you wouldve made the move had i not told you what i did previously
Fauxnom: thats what i said yesterday
Fauxnom: i took advantage of that knowledge
Fauxnom: which of me was pretty shitty
Fauxnom: i have a hard time believing i did that
margoTnbm: ok, as long as you realie that
Fauxnom: no no i know that
Fauxnom: and im sorry
Fauxnom: for the slap in the face
margoTnbm: and realize that thats just really fuck- ing inconsiderate, and totally betrays whatever trust i had with you
Fauxnom: jesus
Fauxnom: i didnt know you were that angry with me
Fauxnom: now you have no trust in me?
Fauxnom: christ vanessa i was off my face. i mean i still did it
margoTnbm: im not angry, thats just a consequence of what happened
Fauxnom: but i would not have if i wasnt so fucking blind drunk
Fauxnom: it wasnt a clear betrayal of trust
margoTnbm: but its the fact that you knew id be responsive
Fauxnom: it wasnt thought out
margoTnbm: like, why didnt you chose some other girl
margoTnbm: risk being shot down?
Fauxnom: probably because i didnt know they'd be responsive
Fauxnom: ah fuck.
Fauxnom: fucking fuck

DO YOU LIKE JANET??!?!???

<3<3

=!:-=

PEOPLE MAK- ING OUT WITH SOMEONE

Bballguy22: I'm refusing to answer any questions about that topic.

YippieSkippie: WHY NOT? WHY BECAUSE?

Bballguy22: Should I like her.

YippieSkippie: I think that you should like whoever you want to. And I just want to know if you like her.

Bballguy22: Janet just asked me to go out with her. I want to know what YOU had to do with it.

YippieSkippie: What? Are you serious? She did? I HAD NOTHING TO DO WITH IT! I don't think so at least. She never told me she asked...I can't believe she didn't tell me....anyway, back to the subject. Are you going to say yes? And do you like her?

Bballguy22: I want to know your opinion. And your definition of what going out is.

Bballguy22: Please help.

YippieSkippie: Okay here is what I think. I think the definition for going out for Janet is different than mine. Hers is probably more loose. Like it's probably more something to say than anything else. I mean you are already spending time with her. So I think that you should say yes because it probably won't make a major difference in your relationship with her, but she will be SOOOO happy. She really likes you.

Bballguy22: I need to think. Thanks for your help.

YippieSkippie: ...So have you come to any conclusions?

Bballguy22: Not Yet.

YippieSkippie: hmmm....well do you like her? I mean start with that.

Bballguy22: Why should I tell you?

YippieSkippie: Because then maybe I can help....

Bballguy22: I don't trust anyone, anymore. Mulder was told by Deep Throat at the end of season 1 to "Trust No One." That is what I live by.

Bballguy22: I don't want to say anything yet. I'm still considering. I don't know if I should tell you this. You have to promise you won't tell Janet, or anyone else.

YippieSkippie: I promise. I won't. If you make me promise I won't tell.

Bballguy22: Whatever. For the longest time I wanted to go out with Janet. just now I don't know what the definition of going out is. And I don't know if I really like her any more. If this gets out i will have to break your legs. But you know that.

YippieSkippie: You see that's what I thought. And my opinion is that YOU call her up and ask her, her definition of going out. And if there isn't someone else you like you should just go out with her (as long as her definition of going out isn't too serious). That's my opinion. And I won't tell anyone.

Bballguy22: You know the consicuanis.

YippieSkippie: I'm not going to tell. But only because I promised, NOT because you threatened to break my legs.

JacobinX (11:36 PM): did you worry about stuff a lot today?

altruIM44 (11:36 PM): yes

altruIM44 (11:36 PM): all day

JacobinX (11:36 PM): really?

altruIM44 (11:36 PM): i've had nervous butterflies all day

JacobinX (11:36 PM): aw

altruIM44 (11:36 PM): i want to get this shit over with :-)

JacobinX (11:36 PM): im sorry

JacobinX (11:36 PM): i think i had a hand in your nervousness

altruIM44 (11:37 PM): don't be sorry, it definitely wasn't your fault

JacobinX (11:37 PM): you shouldnt be scared

JacobinX (11:37 PM): i promise ben'll be fine with it

altruIM44 (11:37 PM): no no you didn't

altruIM44 (11:37 PM): ok, i'm just gonna feel awkward and stupid

altruIM44 (11:37 PM): but i planned out exactly what i wanted to say

altruIM44 (11:37 PM): so hopefully things will go as planned

altruIM44 (11:37 PM): if he even stops by! i can't go through another day like this!

JacobinX (11:38 PM): what exactly will you say, hehe

altruIM44 (11:38 PM): haha ok here we go, you ready?

JacobinX (11:38 PM): ok, lets role play

altruIM44 (11:38 PM): ok

JacobinX (11:38 PM): ill be ben

altruIM44 (11:38 PM): alright....and GO

JacobinX (11:38 PM): "hey julia!! god you're hot. want to make out?"

altruIM44 (11:39 PM): HAHAAH

altruIM44 (11:39 PM): oh wait

altruIM44 (11:39 PM): ok no laughing.

JacobinX (11:39 PM): right right

JacobinX (11:39 PM): role playing

altruIM44 (11:39 PM): actually about that, i need to apologize for not saying this any earlier, as i should've...

JacobinX (11:39 PM): but?

altruIM44 (11:40 PM): I shouldn't have let myself go quite like i did last night, but when i'm with you, you tend to make me forget, or at least not care as much about the fact that...i have a boyfriend. (that's to make him feel better...)

altruIM44 (11:41 PM): but i do have a boyfriend, and

i do love him and i don't know if you were even planning on or expecting to see me more and stuff, but i can't do this.

altruM44 (11:41 PM): (oh and i'll say "boyfriend in kansas city")

altruM44 (11:42 PM): and then i'll add some stuff about how sorry i am, and how if i didn't have aaron, i would most likely consider hanging out with him more and stuff

altruM44 (11:42 PM): blah blah blah

altruM44 (11:42 PM): is that ok? or bad?

JacobinX (11:42 PM): thats ok

JacobinX (11:42 PM): i think thats ok

altruM44 (11:42 PM): sure?

altruM44 (11:42 PM): any revisions?

JacobinX (11:42 PM): hm

JacobinX (11:43 PM): whats the deal with the

JacobinX (11:43 PM): when im with you i tend to forget thing

JacobinX (11:43 PM): thats kind of weird

altruM44 (11:43 PM): oh i know, i figured i'd put that in to boost his ego or something

altruM44 (11:44 PM): make it sound like i'm not making out with him and thinking of my boyfriend the whole time

JacobinX (11:44 PM): hm

altruM44 (11:44 PM): which i was

altruM44 (11:44 PM): ...but i don't want him to know that

JacobinX (11:44 PM): hm

JacobinX (11:44 PM): thats weird

altruM44 (11:44 PM): i don't think it'd go over well

altruM44 (11:44 PM): is it?

JacobinX (11:44 PM): ive never understood that

altruM44 (11:44 PM): too weird?

JacobinX (11:44 PM): people making out with someone

JacobinX (11:44 PM): and thinking of their boyfriend

JacobinX (11:44 PM): no no, what you said to ben will be fine

altruM44 (11:44 PM): haha well i wasn't thinking of aaron and like, pretending it was HIM i was kissing

altruM44 (11:44 PM): i was just thinking about

aaron in general...and feeling guilty at the same time

JacobinX (11:44 PM): ohh, ok, that makes so much more sense

altruM44 (11:44 PM): yeah

JacobinX (11:44 PM): way less gross

JacobinX (11:45 PM): hehehe

VPlurgle215: what the fuck...
zephyr674: ok, heres why
zephyr674: we're like on our way to jim's house
zephyr674: and we dont know if we just wanna stop by or not
zephyr674: so shes like we'll pull in here and decide what we're doing
zephyr674: ...
zephyr674: ...
VPlurgle215: haha
zephyr674: there were like people bringing flowers to their "loved ones" which made it kinda odd, but it was cool

VPlurgle215: o
VPlurgle215: k
VPlurgle215: well nothing really happened, it was just like all these little things put together
VPlurgle215: starting with her new year's plans, that is when i started feeling weird, like one day in school i was all depressed
VPlurgle215: then i got over that
zephyr674: oh
VPlurgle215: then it was like when we all went out to see liberty heights, did you notice anything about how she was acting (or me)
VPlurgle215: ?
zephyr674: no..
VPlurgle215: see it might have just been me but i felt at the time that she was ignoring me or something
zephyr674: i dont know, i just realized i dont remember much of anything about that day
zephyr674: i even forgot we went to see it together
zephyr674: haha
VPlurgle215: then all that talk about bjs

zephyr674: ohh yeah
zephyr674: oh yeah, i just figured you were kinda involved withn driving
VPlurgle215: then like every time i wanted to do something she "promised" someone else she would do something with them
zephyr674: hmmm, shes ooon
VPlurgle215: but dont say antying
zephyr674: nope
VPlurgle215: and stuff like that, and i thought she was losing interest or whatever, like until around thurs or so, i finally realized i was either making it up or it was just nothng

zephyr674: i've done that before
VPlurgle215: really?
zephyr674: i think i have a problem or something
VPlurgle215: ?
zephyr674: like a lot i just have this feeling that they are losing interest or something, or that they are pissed at me
zephyr674: and its absolutely nothing
zephyr674: i think i've learned though
VPlurgle215: yeah sang was telling me its normal, i didnt believe it
VPlurgle215: thats cool at least it's not just me, thanks
zephyr674: do u know why she's delaying THIS much?
zephyr674: yeah sure man.. maybe it IS normal.. but definitely not good
VPlurgle215: oh yeah, i was a little bothered by that too
VPlurgle215: no before i meant that how i felt was probably normal
VPlurgle215: i seriously think something bad happened that shes trying to avoid
VPlurgle215: with me
VPlurgle215: but yeah , one hell of a wait
VPlurgle215: what do you think
zephyr674: i dont know, have you talked to her?
VPlurgle215: about it?
VPlurgle215: no

VPlurgle215: uncalled for
zephyr674: i'd say ring 3 month

ZippoHippo (2:54 PM): hi

ZippoHippo (2:57 PM): guess you arent around, I hope france is all you imagined it would be and more

JessK16 (3:01 PM): hey

ZippoHippo (3:01 PM): hey you

ZippoHippo (3:01 PM): so how is it?

JessK16 (3:01 PM): its great im having the best time

ZippoHippo (3:01 PM): good, im so glad

ZippoHippo (3:01 PM): what time is it there now?

JessK16 (3:02 PM): 9 at night

ZippoHippo (3:02 PM): not bad, im at school right now

ZippoHippo (3:02 PM): your boy is on his way to being a lawyer

ZippoHippo (3:02 PM): it took me a while to figure this out but i want to tell you something if thats alright

JessK16 (3:04 PM): ok

ZippoHippo (3:04 PM): i want to apologize once and for all for doing what i did to you, after some time to really think about things i have come to the realization that what i did to you was awful

ZippoHippo (3:05 PM): I was the one who asked for more commitment from you

ZippoHippo (3:05 PM): and shouldnt have under the circumstances of being in law school, because i knew i wouldnt be able to devote the time necessary to the relationship

ZippoHippo (3:05 PM): and to take a semester of your social life away from you and do the things i did to you was just plain wrong

ZippoHippo (3:06 PM): putting myself in your shoes, i see that now

ZippoHippo (3:07 PM): in hindsight i think if i had to do it over again i would have kept it at a close relationship, but not necessarily an exclusive one like I asked you for, because that wasnt something i was ready to offer up, although i thought i was

JessK16 (3:09 PM): ok well i appreciate everything you said that was nice to hear even 4 months later... and don't worry about the exclusivity thing...

ZippoHippo (3:09 PM): im glad you're happy to hear it, it needed to be said regardless of the time

ZippoHippo (3:09 PM): I also want you to know that my health problems are gone, im fine, completely back to normal

JessK16 (3:10 PM): well im happy for that too I guess

ZippoHippo (3:10 PM): and that i still have feelings for you

ZippoHippo (3:10 PM): i want another chance

JessK16 (3:12 PM): umm hmm well i mean im in

france first of all...

ZippoHippo (3:12 PM): you have to let me see you when you get back

JessK16 (3:14 PM): i mean you fucked up big time, you hurt me really badly, i definitely need this time to recover

ZippoHippo (3:14 PM): of course, i understand

ZippoHippo (3:14 PM): but i was not myself then, you have to understand that

ZippoHippo (3:15 PM): i was not thinking rationally

ZippoHippo (3:15 PM): and was not physically capable of having a relationship yet

ZippoHippo (3:15 PM): i was ill, mentally i thought i was ok but i wasnt

JessK16 (3:15 PM): what makes you think when i get back you will be different

ZippoHippo (3:16 PM): nothing i can tell you will prove it to you

ZippoHippo (3:16 PM): you will just have to see me and judge for yourself

ZippoHippo (3:16 PM): but i think relationship wise we rushed into things

ZippoHippo (3:16 PM): i rushed it

JessK16 (3:16 PM): well all i can say is that we will talk when i get back and take it from there.... and yes id agree with the rushing 100 percent

ZippoHippo (3:17 PM): i mean i think part of the reason i rushed it is because i was so sick and having a girlfriend made me feel like I had some assemblance of my normal life back

ZippoHippo (3:17 PM): when in fact it was just a shell

JessK16 (3:18 PM): yea i understand you were sick

ZippoHippo (3:19 PM): ive found the right mix of meds and am totally fine now

ZippoHippo (3:19 PM): so i hope you give me another chance, thats all im saying

ZippoHippo (3:20 PM): at least call me when u get back in town

ZippoHippo (3:20 PM): my finals are done 2nd week of may

ZippoHippo (3:21 PM): when do u get back

ZippoHippo (3:22 PM): dont you miss our all night crazy sessions?

ZippoHippo (3:23 PM): comeon, be honest

ZippoHippo (3:26 PM): think it over

ZippoHippo (3:26 PM): later babe

PAST/PRESENT WHATEVER

~(_8^(l)

mangoMama5: so, should i just say 'have a good life' now, or did u ever plan on talking again??

DXnfr2: hi

mangoMama5: so, how come you always avoid the questions?

DXnfr2: because your questions are odd

mangoMama5: how so?

mangoMama5: u don't find it odd that u just randomly stopped talking?!?

mangoMama5: i think that's a lot more odd than my questions, don't ya think?

DXnfr2: i think youre worrying too much

mangoMama5: i'm not worried, i'm merely inquiring as to why you don't talk anymore

mangoMama5: you don't find it strange that we go from talking to not talking almost literally overnight - gee, maybe it's just me

DXnfr2: i think inquiring should have been italicized

mangoMama5: i think you should break your usual manner and for once, stop avoiding questions

DXnfr2: now youre being hostile. perhaps im trying to leave things as they are and not needlessly make anything worse

mangoMama5: leave what as they are?

DXnfr2: if my usual manner is avoiding questions, then your usual manner is not understanding responses

mangoMama5: your responses, yes

mangoMama5: so, please clarify

mangoMama5: it's just, usually, i don't talk my friends all the time and then NEVER, within like 2 days

mangoMama5: so forgive me, if i'm trying to figure out why we don't talk anymore?!

mangoMama5: since it's on your part, at least you can provide some sort of explanation, eh?

DXnfr2: i dont think it can serve any purpose

mangoMama5: are you kidding?!

mangoMama5: you don't think you owe me some sort of explanation as to why you've been avoiding me for weeks?!

mangoMama5: i think in the least it's common decency

DXnfr2: avoiding would require effort. we just drifted

mangoMama5: no, you just drifted

mangoMama5: you started to separate yourself from normal conversations - and then, you stopped talking altogether

mangoMama5: u don't expect me to wonder why?

DXnfr2: hmm

mangoMama5: ?

DXnfr2: thinking diplomatically

DXnfr2: sorry

mangoMama5: sorry for having absolutely no explanation?

DXnfr2: no polite explanation.

DXnfr2: this conversation can serve no further purpose.

mangoMama5: i didn't ask for polite

DXnfr2: and im not going to be a mean person. so im out.

DXnfr2 signed off at 10:55:50 PM.

DXnfr2 signed on at 11:13:47 PM.

DXnfr2: i dont see what is wrong with a friendly parting of ways

mangoMama5: 1) this is anything but friendly

mangoMama5: 2) when one person has no idea why this parting is happening, that's a problem

mangoMama5: why don't you just come straight out and tell me?

mangoMama5: i'm a big girl, i can take it

mangoMama5: i'd be a lot more angry, and am, if u just drop it

DXnfr2: i observed this summer that our personalities are in drastic contrast

mangoMama5: based on?

DXnfr2: i hadnt paid that much attention to it during school

mangoMama5: (and we talked about this in dec., do you remember that?)

DXnfr2: based on just about how we deal with everything

mangoMama5: everything?

mangoMama5: please please please stop being ambiguous

mangoMama5: seriously, can you just be straightforward

DXnfr2: i am unable to relate to you

DXnfr2: that has caused the rift

DXnfr2: all we can do is small talk

DXnfr2: which is the BS that you just remarked to not want

DXnfr2: and we disagree too much to keep bothering

mangoMama5: i've been the one that's told you that you don't open up

mangoMama5: for this whole time, i've been trying to get to that other side of you, that you keep so shut (the topic of several disagreements)

mangoMama5: so what, almost overnight, triggered this new "epiphany"

DXnfr2: it was revealed to me during that week when we went out a couple times

DXnfr2: to your school and to starbucks

mangoMama5: this is the one concern i had back in dec. - remember that phone convo - u're the one that reassured me they were "minor differences" and whatnot

mangoMama5: well yea, i figured it was after sbux

DXnfr2: how were too drastically different to keep

bothering

DXnfr2: that is it

mangoMama5: well that's what i'm asking? what did you find so different then, that you hadn't realized in the months we've been talking?

DXnfr2: well, for one thing, no answer is ever good enough, as were seeing here

DXnfr2: it is contradictory that you are bothered by how i am with you yet you want to maintain it

mangoMama5: not to say that i delved deep into ur personality, b/c u never let me do that

mangoMama5: i always told u there was a barrier u seemed to have up, did i not?

mangoMama5: i'm bothered by the fact that you block certain areas of ur life out

mangoMama5: and it took me mos. to get to that conversation we had (bout u) @ starbucks

DXnfr2: yes, and i feel like im in some reality tv show when you do

mangoMama5: what do you mean? when i want to dig a little deeper?

mangoMama5: u're the one who's saying we had small talk

mangoMama5: but u're also the one who wouldn't let me go further

DXnfr2: what if i dont care for you to?

DXnfr2: what if i dont want you to?

mangoMama5: that's fine - but now you tell me you want to "part ways" b/c all we have is "small talk"

mangoMama5: well, that's a whole different ball game, my friend

mangoMama5: so why, when i addressed this issue in december, didn't you concede that we were just too diff.

mangoMama5: when i said, maybe we should take a break, etc.

mangoMama5: and now, months later

mangoMama5: you bring this up

mangoMama5: or, rather, why didn't you just tell me this a loooong time ago? (seeing as how i brought the issue up to you after a few weeks)

DXnfr2: i hadnt assimilated enough at that time

mangoMama5: then what put you over the edge?

DXnfr2: i dont have specifics

DXnfr2: its more general

mangoMama5: i really don't know how to react

mangoMama5: a part of me wishes we stopped talking in dec.

mangoMama5: b/c now, months later, u want to drop everything

mangoMama5: and believe it or not, i've had a lot invested in our friendship, or whatever - like i really enjoyed talking to you, against the odds i brought up in dec.

mangoMama5: so...i just don't understand how over that amount of time, u couldn't have sensed this

mangoMama5: or told me, or something

mangoMama5: b/c it literally seems like it happened overnight

mangoMama5: and i can't pinpoint what warranted

it

mangoMama5: but i (unlike you, perhaps) don't just drop things / people / relationships that easily

mangoMama5: so do you understand where this miiiight be hard for me?

DXnfr2: it wasnt exactly 7-8 months of open dialogue, as was beautifully demonstrated by you never even hinting to me that you were seeing/dating/whatever someone for 3 months

DXnfr2: finding that out way after the fact certainly made me question how superficial we related to one another

mangoMama5: ha, i knew that was it...

mangoMama5: mark, how many types did you address your relationships w/girls?

mangoMama5: past / present, whatever

mangoMama5: the subject never came up - we talked about tother things

mangoMama5: we had discussions about things

mangoMama5: you don't know enough about that relationship, to judge

mangoMama5: we weren't dating..

DXnfr2: whoa, there was no IT, that just clued me in that we werent exactly talking like friends should talk

mangoMama5: i didn't talk to my other firends about the stuff we talked about

mangoMama5: you were always hesitant to talk about relationships

DXnfr2: yeah, but im guessing you talked to your friends about his existence on planet earth

mangoMama5: not all, no

mangoMama5: my close girlfriends, yes

DXnfr2: so NOBODY knew about him?

mangoMama5: a few people did, WHO CARES?

mangoMama5: i don't think that's an indicator of how "close we were"

mangoMama5: b/c YOU never wanted to talk about relationships, period.

mangoMama5: and this topic never came up

mangoMama5: u didn't talk about girls

mangoMama5: (not one)

mangoMama5: i didn't talk about guys

DXnfr2: then thats another difference of opinion/personality that i am alluding to

mangoMama5: it's not one-sided

DXnfr2: there were no girls i was dating for me to talk about

mangoMama5: there wasnt' a single girl in your life for you to talk about?

DXnfr2: that i was seeing while we were talking? no

mangoMama5: i asked you NUMEROUS times about your past relationships

mangoMama5: and you immediately closed up

mangoMama5: so why would i start telling you about my guy issues

DXnfr2: how do you see this conversation ending?

mangoMama5: how do i see it ending, or how would i like it to end?

DXnfr2: because i just see it going on in the form of an argument that weve had too many times

DXnfr2: and im not interested enough to keep arguing

DXnfr2: no good comes out of it

mangoMama5: i see

mangoMama5: i don't see this as arguing - i see this as trying to save something, which you clearly have no desire to do

mangoMama5: so, i don't know where that leaves us - i guess i wanted closure

DXnfr2: wed be saving exactly this!!!!

mangoMama5: if you want to drop this, what can i do about it?? u know?

mangoMama5: and i told you that months ago!

mangoMama5: but since then, i've enjoyed oru conversations a lot

DXnfr2: this isnt fun. this is what we do.

mangoMama5: i don't agree

DXnfr2: in dec. i thought it could change

DXnfr2: it didnt

DXnfr2: here we are

mangoMama5: if you thought things didnt' change, why didn't you tell me in january??

DXnfr2: because i didnt notice til june

mangoMama5: i, unlike you, seem to get a lot more emotionally invovled in relationships w/people

mangoMama5: b/c things changed!

mangoMama5: i highly doubt it took you 6 mos (if you thought we were still arguing every conversation) to notice

DXnfr2: alright, this will sound bad, but i actually have to sign off now. i can continue talking about this on saturday. i will be out of town until then

mangoMama5: ok, well regardless, this is your call, i can't keep 'arguing' to convince you otherwise - now, i'm getting the hints lol

DXnfr2: talk to you later

mangoMama5: well, correct me if i'm wrong

mangoMama5: but i don't think you want to keep talkign about this

mangoMama5: so tell me what you want to do..

DXnfr2: saturday

DXnfr2: nite
